

6th International Symposium on Otosclerosis and Stapes Surgery

25 – 27 June 2025
in Rostock, Germany

President

Univ.-Prof. Dr. med. R. Mlynski

Department of Oto-Rhino-Laryngology, Head and Neck
Surgery „Otto Körner“ Rostock University Medical Center

Invitation

Dear colleagues,

It is a great pleasure to cordially invite you to the 6th International Otosclerosis Symposium in Rostock!

Otosclerosis especially stapes surgery is one of the most fascinating aspects in Otology. I am sure sharing current knowledge and scientific results in a comprehensive meeting will be both fun and forward the management of the disease at the same time. Structured sessions will cover a broad spectrum of current scientific and clinical topics: pathophysiology, audiology, prosthesis design over surgery around the world to augmented reality.

This symposium has traveled from Switzerland to France over Hungary to Poland. The latest meeting was hosted in Brussels last year. It is a great honor to welcome you from 25th through 27th June 2025 in Rostock, Germany.

Rostock is situated in the North of Germany, with the oldest University in the Baltic Region and the oldest University Department for Otorhinolaryngology in Northern Europe.

Take the opportunity to exchange experiences with scientists, surgeons, clinicians, engineers and audiologists who have a genuine interest in all aspects of otosclerosis and explore the Baltic!

I welcome you to the 6th international symposium in Rostock.

Univ.-Prof. Dr. med. Robert Mlynski
President of the Symposium

otosclerosis-rostock.org

Programreview

You can look forward to a program with interesting lectures on these and other topics

PREMEETING WORKSHOP

with 3D-live-surgery and prosthesis hands on

•

ANATOMY

•

AUDIOLOGICAL STANDARDS AND VESTIBULAR ISSUES

•

"HEARRING"-ROUND TABLE

•

MIDDLE EAR MECHANICS

•

NEW THINGS AND QUALITY OF LIFE

•

STAPES SURGERY AROUND THE WORLD

•

HISTORY, SCHOOLS AND TEACHING STAPES SURGERY

•

OTOSCLEROSIS AND IMPLANTABLE HEARING SYSTEMS

Submit your abstract

Present your research and case studies at the 6th International Symposium on Otosclerosis and Stapes Surgery in Rostock, Germany.

Benefit from immediate feedback from international experts and contribute to the scientific programme by submitting your abstract to one of the following topics:

ANATOMY • PATHOPHYSIOLOGY • MIDDLE EAR MECHANICS

AUDIOLOGICAL STANDARDS AND VESTIBULAR ISSUES

QUALITY OF LIVE • STAPES SURGERY

IMPLANTABLE HEARING SYSTEMS • HISTORY • VARIA

We invite you to submit your abstract for an oral (speaking time 7 min. + discussion 3 min.) or a poster presentation (speaking time 3 min., poster format 16:9).

- Abstract must not be longer than 1800 characters
 - Include the names of the authors and their institutions
 - Official congress language is English
 - The presenting author is obliged to register for a fee.
- Please note that the author is not automatically registered by submitting the abstract.

To submit your abstract for the Symposium please fill in the **abstract form** on the website and send it back by mail to office@otosclerosis-rostock.org.

Thank you for discussing your current findings with us and your contribution to a diverse program.
We look forward to your participation and active involvement.

Deadline for abstract submission: 31th of January 2025

Registration

To register, please use the **registration form** on the website <https://www.otosclerosis-rostock.org/registration/> and send it to office@otosclerosis-rostock.org

	Early Registration until 31.01.2025
	Registration from 01.02.2025
Senior physicians	250 €
	350 €
Residents	150 €
	250 €
Audiologists	100 €
	200 €
Congress Dinner 26.06.2025 <i>limited; Registration possible until 31.03.2025</i>	100 €
	100 €

25.06.2025
Auditorium, Clinic for Orthopaedics
Doberaner Str. 142, 18057 Rostock

26. – 27.06.2025
Aula, University of Rostock
Universitätsplatz 1, 18055 Rostock
